

# Knocking on the Door

- Afraid of Bugs**—Are you afraid of bugs that crawl...bugs that fly around us all...eensy weensy spiders and little black ants...bees buzzin' round the honeysuckle plants...beetles with wings and slimy worms...bugs that creep...and bugs that squirm?...they're not tryin' to hurt you, no need to be afraid, they're real neat to look at, pick one up today, but be careful with the bees, please.
- Monster**—Do you hear, what I hear?...Do you hear that scary noise out there?...Is it a monster coming after me?...I'm not going to hang around and see... I'm going to run, to my **mother's** arms, I know that she will keep me from harm...Is it a monster, I hear out there?...Oh no it's just a **dog barking in the night** that I hear that's making me scared.
- Ants**—1. Troupe of ants, marching across the floor, they came in the house, but they didn't use the door...They come in three parts with six little legs... Now they're comin' over to eat my scrambled eggs...**CHORUS:** Those black little ants, black little ants, black little ants in their Sunday pants...2. Walkin' up the side of the honey jar, I wish they'd go away, away so far. (ch)
- Lady Bug**—Lady, Lady, Lady, Lady, Lady, Lady, Lady, Lady, Bug (2x)...I like it when you crawl across my hand, I like it when on me you land...**CHORUS:** Lady, Lady, Lady, Lady, Lady, Lady, Lady, Lady, Bug (3x)...No, No, No, No, No, etc...Please, please don't go (2x)...Cuz I like, it when, you crawl across my toes, and I like, it when, you land on my nose.
- Caterpillar**—Caterpillar crawls (3x) across a leaf (2x)...Caterpillar spins (3x) her silky cocoon (2x)...Caterpillar dreams (3x) inside her cocoon (2x)...Butterfly awakes (3x) from her dream (2x)...Butterfly flies (3x) away away (3x)
- Polliwog**—I found a polliwog in a pond and I scooped her up and I brought her home...I put her in some water in a bowl, I wanted to keep her for my own...A few days later she grew some legs, and her tail disappeared and she hopped away...Cuz she's a frog now, yes she's a frog now, she surprised me and hopped away. (2x)...Hopped away.
- Bodies**—1. Boys have different bodies than girls you see and every body's different as different as can be...**CHORUS:** Some are big and some are little, at the top and the bottom, and in the middle...Bodies are made, oh so fine, take care of yours and it will last a long time, take care of your and it will last a long time...2. Even tho bodies are different indeed, we all have the parts that we need (ch)...3. Bodies come in different colors, every body is, one or another.(ch)
- Lizard**—**Lizard** laying in the sun, la, la, la...lizard wiggling your tongue, la,la,la...well can I be your friend?...Will you be my friend?...Can I hold you in my hands for a while...And then let you go again?
- Oh Dear**—**Oh dear**, oh dear, where do you roam?...Oh dear, oh dear, where is your home?...Well, I do roam **where I could**, and my home is in the **woods**.
- Zoo**—**Monkeys** is the zoo, I like to look at you, but I don't really understand, why somebody took you from your land, and put you in a cage behind bars.

11. **Banana Slug**—1. I was walking in the woods, through the filtered sun rays, a creature I did meet along the way...I was looking down, my eyes were on the ground, and there I saw it, long, fat and round. **CHORUS:** Banana, banana, banana slug, are you an animal or are you a bug?...Banana, banana, banana slug, are you an animal or are you a bug? 2. I knelt down to see what I could see, hey slug, what do you want with me?...Well can I pick you up just to see how you feel, in your bright yellow jacket, you hardly seem real (ch)...3. How do you move across the ground, I don't see any legs to carry you around...I see muscles in your belly that move you up and down, those muscles in your belly must move you across the ground (ch)...4. I must be on my way, it's been nice spending time...Just one more question, how do you make that slime? (ch)
12. **I'm the only one of me**—I'm the only one of me, I'm the only one of me,...la, la, la, etc...I'm the only one of me You're the only one of you, you're the only one of you,...la, la, la, la, la, la etc...You're the only one of you I'm the only one of me, and you're the only one of you,...la, la, la etc...We're the only one of us.
13. **That Egg**—Hey friend, la, la, la...Tell me where did you get that egg...I got this egg from a chicken, from a chicken I got this egg...Hey friend, la, la, la...Tell me where did you get chicken...I got this chicken from an egg, from an egg I got this chicken.
14. **Rocking Chair**—Rocking in my rocking chair, looking out my window, I see a **hummingbird** there, as I rock in my rocking chair...And I rock, in my rocking chair and I rock, in my rocker.
15. **Cloud**—1. There's a cloud in the sky, passing us by...Hanging in the trees, blowing in the breeze...She wants to come down, so she rains all around...To the ground, the ground, she rains to the ground...2. She gathers herself into a river, and flows away to the sea...She has to go down so she flows all around...to the sea, the sea, she flows to the sea...3. And the sun warms down, to the water...Come rise with me to the sky...So she rises slowly, to the sky...To be a cloud, a cloud, once again...4. There's a boy/girl on the ground and he/she wants to rise...To the cloud in the sky passing him/her by...So he/she grabs a hold of a bird flying by...And they fly, they fly to the sky...To the cloud in the sky, passing us by, hanging in the trees, blowing with the breeze.
16. **Shining Bright**—The sun is shining brightly, the sun is shining bright, the sun is shining brightly, the moon will shine tonight.
17. **Do you have a Pet?**—Do you have a pet livin' with you?...Oh do you have a pet livin' with you?...Do you have a pet livin' with you...and tell me what is your pet's name. I have a **goat** livin' with me...Oh I have a goat livin' with me... I have a goat livin' with me and I call my goat **Mossie**.
18. **Skunk**—There was a skunk that really stunk when you made **him** mad...He was black with two white stripes, runnin' down his back...Skunk stunk, the skunk stunk, the skunk stunk...Skunk stunk, the skunk stunk when you made him mad.
19. **Black Widow**—1. Black widow spider, keep your distance, you might bite me and it would poison me and if you poisoned me, I would get sick, and I don't wanna get sick, so keep your distance. ...2. Black widow spider, big round belly, black and shinny, eight skinny legs...If you turn over, I would see two, little round spots, underneath you.

20. **Gopher**—<sup>Dm</sup>Gopher, <sup>C</sup>gopher, <sup>Dm</sup>go far away, from my <sup>C</sup>garden, far away...<sup>Dm</sup>Dig, dig, dig, dig, dig your tunnel deeper and longer and go far away...I walked into my garden, saw my <sup>C</sup>**green beans** wilting, oh they looked so <sup>Dm</sup>sad...You ate their sweet roots, you took their life from them, and that makes me mad.
21. **Skeeters**—<sup>C</sup>Well I got skeeter bites on my legs and arms and skeeter bites on my toes...I even got a skeeter bite on the tip of my nose...Oh I <sup>C</sup>layed myself down by a <sup>F</sup>cool Mt. <sup>C</sup>stream, thought I'd get cozy, and have a <sup>G</sup>sweet <sup>C</sup>dream...But the <sup>F</sup>skeeters came by and by...Around and around me they did fly...I hid in my <sup>C</sup>sleeping bag but they came after me...Those <sup>G</sup>rude little <sup>F</sup>mosquitos, they wouldn't let me be...**So, now, I got,** <sup>C</sup>skeeter bites on my legs and arms and skeeter bites on my toes...I even got a skeeter bite on the tip of my nose...Oh I <sup>C</sup>layed myself down by a <sup>F</sup>cool Mt. <sup>C</sup>stream, thought I'd get cozy but that was just a dream.
22. **Rainbow Spider Web**—<sup>C</sup>I see in the <sup>F</sup>weeds, a <sup>C</sup>rainbow spider web, there's <sup>G</sup>red and orange and <sup>C</sup>yellow too, and <sup>F</sup>purple, <sup>G</sup>green and <sup>C</sup>blue...When the sun shines so, you can see it glow, that <sup>F</sup>rainbow spider web...So open your eyes, for a <sup>C</sup>big surprise, that <sup>G</sup>rainbow spider web.
23. **Bumble Bee**—<sup>E</sup>Bumble bee <sup>A</sup>buzzin'...from <sup>E</sup>flower to flower looking...for some <sup>A</sup>nectar to make some <sup>E</sup>honey...for the <sup>B7</sup>winter...and you and me...<sup>E</sup>Bzz, Bzz, etc.
24. **Warts**—<sup>G</sup>1. Warts on my <sup>C</sup>knees, warts on my <sup>D</sup>hands, warts wherever they <sup>C</sup>choose to <sup>G</sup>land...I don't want you <sup>C</sup>hingin' around, why don't you go <sup>D</sup>plant yourselves in the <sup>C</sup>ground?...**CHORUS:** <sup>C</sup>Go away warts, go away <sup>D</sup>warts, go away <sup>G</sup>warts
2. Why don't you go find yourself some bumpy old toad, or a slimy frog on which to take your abode?...I didn't use to mind you livin' on me, but now I got to tell you, I want you to leave (ch)
25. **Where Is Your Nose?**—<sup>C</sup>Where is your **nose**, where is your nose, where is your nose my <sup>G</sup>dear?...Can I see your nose, can I see your nose, can I see your nose, my <sup>C</sup>dear?...Do ya have and owie?...Can I see your owie?...
26. **I'm Growing**—<sup>C</sup>I'm growing down, down, down, I'm growing up, up, up, I'm growing round, round, round, I'll never stop, stop, stop...I'm growing under, I'm growing over, I'm growing round, round, round, I'll never be through.
27. **Seed**—<sup>A</sup>1. I am a little <sup>G</sup>seed and I can grow, <sup>D</sup>plant me in the <sup>A</sup>earth, and that's called <sup>G</sup>sow, the <sup>D</sup>seed...**2.** Give me a little water, and wait for me to sprout, give me a little more, and I will come out, of my shell...**3.** Give me a little sun, and I will grow leaves, give me a whole lot more, and I'll grow into a tree, into a tree...**4.** Down into the earth where it is dark, travel our roots, searching for their food, for our food...**5.** Up through the roots and through the stem, travels the food to make the fruit, to make it grow...**6.** We are little seeds and we can grow, plant us in the earth and that's called sow, the seeds...**7.** We like when the clouds pour down their showers, drinking all that rain, we grow into flowers, into flowers...**8.** We are little flowers and we're closed in the dark night, we are little flowers and we're open in the daylight, in the daylight.
28. **Water Falling**—<sup>D</sup>1. Water falling out of the sky, I looked up, rain dropped in my eye because it's raining, it's raining, it's raining today
2. Ice is falling out of the sky, I looked up, snow dropped in my eye, because it's snowing, it's snowing, it's snowing today...

3. Thunder thundering across the sky, lightening lighting up my eye, because it's stormy, it's stormy, it's stormy today
4. Water falling out of the sky, and sun rays falling out of the sky, I see a rainbow, I see a rainbow, I see a rainbow today
5. Sun rays falling out of the sky I looked up sun dropped in my eye, because it's sunny, it's sunny, it's sunny today
6. Moon rays falling out of the sky, I looked up moon dropped in my eye, because it's night time, it's night time, it's night time good night.

29. **Wrap Your Arms Round Me**—1. Wrap your arms round me and give me a hug, it's so stormy and rainy outside...And I'll wrap my arms round you and give you a hug, safely and softly inside...The lightening and thunder would frighten me under the covers if you were not here...So don't go away, oh please do stay and we'll hold each other near

2. Wrap your love round me and sing me a song it's so dark and scary outside, and I'll wrap my love round you and sing you a song safely and softly inside... The lightening and thunder would frighten me under, the covers if you were not here...So don't go away, oh please do stay and we'll hold each other near.

30. **I've Got a Mom**—I've got a **mom** and she is good to me, I've got a mom and her heart is just as kind as it could be...well me and my mom are learning to be free, I love my mom and I know that she loves me.

31. **Occupations**—What is your **mother's** occupation?...What is that special thing that she does?...What is your mother's occupation?...Tell me, tell me just because...My mother is a **train engineer**, that is the special thing she does, my mother is a train engineer, just because it's what she does.

32. **Kinda Funny**—1. Did you ever feel kinda funny?...Did you ever feel sorta strange?...Did you ever stop to wonder just why you're like no other in this whole round world (2x), in this whole round world?...2. Yeah sometimes I feel kinda funny... And sometimes I feel sorta strange...And I stop to wonder just why I'm like no other in this whole round world (3x)

3. Well everybody has a unique, set of senses, we see and we hear and we feel the world, each in our own way, each in our own way, each in our own way.

33. **All I Really Want To Do**—All I really wanna do right now, is sit next to you (2x)...All I really wanna do right now, is comfort you. (2x)...1. Will you read me a story, will you tell me everything's all right, won't you spend a little more time with me, oh before you turn out the light? (ch)...2. Will you build me a fire, will you make the house warm tonight, Won't you spend a little more time with me, oh before you turn out the light? (ch)

34. **Enter Gently**—Enter gently dear one, into the land of dreams beyond and may the angels of light be with you in the night and be there to guide you safely to the morning and be there to guide your safe return to the morn

2. Enter gently dear one, upon the road going home, and may the angels of light be with you in the night, and be there to guide you safely to your home and be there to guide you safely to your home.
